

BESTER MULENJE

HER VOICE FUND AMBASSADOR,
ZAMBIA

Bester Mulenje is a young woman who works with young women in Zambia and cross borders. Bester is currently pursuing a diploma in community development and youth-based community work at the Regional Psychosocial Support Initiative (REPSI). Bester has received two awards from two organisations; SRHR Africa and ITP MENA under HIV and AIDS and sexual and reproductive health and rights respectively. Bester draws her motivation after she lost a close relative to HIV. This drives Bester to advocate with people living with HIV. Bester is grateful for the organizations such as Treatment Advocacy and Literacy Campaign (TALC) that opened their doors to make her who she is in this space. Bester is currently running The Foundation for adolescent girls and young women in Zambia, and is currently the HER Voice Fund ambassador for Zambia. Before anything else Bester is a Christian.
