GRACE NGULUBE

I got an opportunity to attend the sexual violence research initiative forum that was in Mexico. This meeting brings together experts in gender-based violence and provided us with learning opportunity about innovations around prevention and response to GBV in low- and middle-income countries.

For the past two year, as an ambassador and a youth representative in the global fund youth council I supported the advocacy campaign of the global fund replenishment, through social media and physical meetings with global fund donors partners and governments (Irish and Germany government).

I was also invited by Malawi National AIDS commission in the AGYW HIV prevention meeting to strategize on the innovations to support HIV prevention amongst AGYW.

The Work I Love

Enthusiasm • Commitment • Change Maker

I joined our grantee YWCA in Malawi during their skills development training where I got a chance to meet AGYWs who are benefiting from the HER Voice fund.

Ambassador Angel

Amazing • Helpful • Fun

During my journey as an ambassador the ambassador angel program has been supporting, informing, and empowering and I have had 2 amazing ladies who are very passionate in advancing my advocacy skills and professional skills.

During the commemoration of the International Day of the Girl child on 11th oct. 2022, I was privileged to be in the task force of organizing the youth symposium in Malawi focusing on to ensure young people take lead on the sessions.

In October I also attended the global fund principle recipient and sub recipient meeting , this was a learning forum for the global fund implementing partners from 13 countries and as young people we were

Amazing Month

Learning • Inspired • Motivated

This month has been as amazing as I got to learn so many things from the AGYW during YWCA skills training and I was inspired by Virginia who is currently the PEPFER DREAMS lead and motivated in so many things. Being the HIVF Ambassador has given me an opportunity to participate in the High-Level Meeting on championing the priorities of Women and Girls in the HIV Response.
